

FAASTeam presents:

## **Rusty Pilot Seminar - Get Back into the Left Seat**

This is a face-to-face seminar, not a webinar.  
Snacks and drinks will be provided.

Chocks Away Aviation is proud to have been approved by the AOPA to run one of its acclaimed programs, in Hebron, Nebraska. Come and participate in a FREE Rusty Pilot program with fellow lapsed pilots. We will help you understand what's changed in aviation since you've last took the controls and help you brush up on your aviation knowledge.

Feel free to bring friends and family who are interested - but please note that seating is limited, so sign up here, as well as with the AOPA:  
<https://ww2.eventrebels.com/er/Registration/StepRegInfo.jsp?ActivityID=16704&StepNumber=1>.

**Directions:** The seminar will be held in the Airport Administration Building, Hebron Municipal Airport, 68370. The airport is one-mile west of HWY81, on HWY136. 40° 9.000'N; 97° 35.232'W  
What3Words location: enhances.diminishes.circles  
(<http://what3words.com>)

### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
